Sept. 19 (Tuesday) Registration & Warm-up Sessions

09:00-18:00

Registration

13:30-17:45

Stream. Chemical Safety Management

Session 1: Chemical Equipment, Facilities and Information Safety

Moderator: Amb.Krzysztof Paturej, Chairman, ICCSS

13:30-13:50

Concept of Network security and recommendations of Chemical Industry

Shao Guoan, Division Chief, Safety Management Department, State Information Center

13:50-14:10

The Continuous Activities to Enhance World Top Class Safety by Japanese Chemical Industry

Shigeki Nagamatsu, Executive Director of Japan Chemical Industry Association

14:10-14:30

Cultivating Chemical Safety and Security Culture in Chemical and Energy Chain

Leslaw Gorniak, Industrial Chemistry Research Institute (ICRI), Poland

14:30-14:50

Product Stewardship in the Chemical Industry

Leo Law, Safety Manager of Polyurethanes, Asia Pacific, Huntsman

14:50-15:10

Sealing Project of Internet of Things to Realize Safe Operation of Chemical Equipment

Mutsuo Aoki, Senior Executive Officer and Director of Corporate Research and Development, Valqua

15:10-15:30

ICCA Product Stewardship Practices for BDO and GBL

Dr. Jens-Olaf Eichler-Haeske, Member of the ICCA BDO/GBL Voluntary Code Taskforce Keynote

15:30-15:45

Tea Break

Session 2: Chemical Logistics, Transportation Safety and Emergency Rescue

Moderator: Wang Lili, CEO of SIDAI

15:45-16:05

Build Social Responsibility of Enterprises, Persevere in the Safe Baseline

Chu Xianying, Chairman of HeBei Chengxin Co. LTD

16:05-16:25

Practice of National Major Chemical Safety Accident Prevention System

Pawel Dadasiewicz, Chief Inspectorate of Environmental Protection, Poland

16:25-16:45

Discussion on the Safe Delivery Feasibility of Small Packaging Hazardous Chemicals

Chen Jian, President, Hangzhou Rui ou Technology Co., Ltd.

16:45-17:05

Variability and Invariability of Chemical Crisis Management in the Age of Social Media

Wang Lili, CEO, SIDAI

Partnering for a Safer, Smarter & More Sustainable Chemistry

Future

September 19-21, 2017·Kerry Hotel·Pudong·Shanghai·China

- 17:05-17:25 The Role, Function and Responsibility of Port in the Logistics of Dangerous Chemicals
Chen Zhengcai, The Former Director of Transport Department
- 17:25-17:45 Global Response System for Emergency Rescue of Hazardous Chemicals
Brain Banks, Market Director, CHEMTREC
- 13:30-17:00 Sustainable Development Forum of Petrochemical Industry : Sustainability- the Journey for China's Chemical Industry Towards A Better Future**
Moderator: Pang Guanglian, Vice Secretary General, Director of International Affairs, CPCIF
Jan Kreibbaum, Clariant Regional President, Greater China/Korea
- 13:30-13:40 Opening Remark: Marco Mensink, Secretary General of ICCA, Director General, European Chemical Industry Council (Cefic).
- 13:40-14:10 Advanced Experience of Sustainable Development in Multinationals
